

TMWA's Assigned-Day Watering Program

Did you know that residential per-capita water use has declined by approximately 30% since the early 2000s? Part of the reason is due to programs like Assigned-Day Watering, which helps encourage smart water use.

To follow your assigned watering days, please clip the reminder for your address below and tack it next to your sprinkler timer or another convenient location.

ASSIGNED-DAY WATERING

For Odd Addresses

(numbers ending in 1, 3, 5, 7 or 9)

RUN SPRINKLERS ONLY ON:

💧 **Wednesdays**
💧 **Fridays**
💧 **Sundays**

Drip systems and hand watering are permitted anytime. Please use an automatic shut-off nozzle when watering

DO NOT WATER:

⊘ On Mondays ⊘ If windy or raining
⊘ Between 11 a.m. – 7 p.m.

ASSIGNED-DAY WATERING

For Even Addresses

(numbers ending in 0, 2, 4, 6 or 8)

RUN SPRINKLERS ONLY ON:

💧 **Tuesdays**
💧 **Thursdays**
💧 **Saturdays**

Drip systems and hand watering are permitted anytime. Please use an automatic shut-off nozzle when watering

DO NOT WATER:

⊘ On Mondays ⊘ If windy or raining
⊘ Between 11 a.m. – 7 p.m.
